

A stone pillar, part of a wall, stands in a vineyard. The pillar is made of rough-hewn stone and has a white rectangular sign attached to it. The sign has the text 'ROMANÉE' on the top line and 'CONTI' on the bottom line. The vineyard is lush green, and a dirt path is visible on the left. The sky is filled with large, white clouds.

The Method

Maison, Négociant ...

RC : Récoltant-coopérateur. A cooperative-grower who markets co-op produced Champagne under their own label.

CM : Coopérative de manipulation. A wine co-op that markets Champagne made from members' grapes.

SR : Société de Récoltants. A family firm of growers that makes and markets Champagne under its own label, using grapes sourced from family vineyards.

ND : Négociant distributeur. A distributor who buys in finished bottles of Champagne for labelling on their own premises.
